

Optional Prayer for Caucus Night

Divine Providence has brought us together this evening for an exercise in self governance.

We ask our Creator, who has endowed us with our unalienable rights, to guide us in ways that are pleasing to Him, beneficial to our fellow man, and protective of the *Blessings of Liberty* that we seek to preserve for our posterity.

May our presence in this place bring glory to God and gratitude to each of us as we humbly proceed with tonight's business.

Amen.
