

An Agreement regarding access to personally identifying information of local Republicans

This Agreement, made between _____ and the Republican Committee of Minnesota Senate District 36 (hereafter “SD36GOP”), documents the understanding of the parties regarding access to the spreadsheet data (hereafter “The List”) of delegates, volunteers, caucus attendees and other personally identifying information developed through the efforts of SD36GOP volunteers and others.

The parties mutually acknowledge that access to The List requires a high degree of personal integrity and responsibility. Misuse may cause great harm both to the SD36GOP / Republican brand and to the individual(s) whose personally identifying information appears on The List.

This Agreement does not guarantee access to any portion of The List by any person, nor does it obligate SD36GOP to provide any particular level of access to The List. Access to The List is at the discretion of the SD36GOP Executive Committee, or in disputed cases, the SD36GOP Full Committee.

Access as used herein does not imply that an electronic copy of the entire list will be provided, but may take the form of partial lists, printed copies, or versions with certain data excluded.

Access to The List is granted ONLY for the purposes of advancing the goals of SD36GOP and by extension the goals of the Republican Party of Minnesota. By acceding to this Agreement, I attest that I have the wisdom, integrity, discernment and intent to use The List appropriately.

Specifically, I will not use The List to enrich myself personally or professionally; to slander or defame anyone; to solicit clients for any endeavor; to engage in any conduct prohibited by valid law; to foster or advocate for violence; to communicate in such manner or frequency as to annoy or harass; to initiate, continue, suggest or otherwise promote any sexual conduct; disseminate profane language; or to create or foment any situation likely to cause disunity or distrust within SD36GOP or otherwise harm the Republican brand in Minnesota.

The List may be used, and is intended to be used, to build party unity, support endorsed candidates, recruit volunteers for campaign and SD36GOP related events, and build strong interpersonal relationships with local Republicans to best achieve political and policy victories in the public square.

Selling or transferring The List to anyone else is prohibited.

An Agreement regarding access to personally identifying information of local Republicans

Sending mass email is prohibited. All requests to send email messages to large portions (or all) of The List must go through the Executive Committee and/or the Chair. This does not apply to Precinct Officers communicating with residents of their own precinct.

It is expected that users of The List, upon becoming aware of changes to any of the data, will expeditiously inform SD36GOP of same. This includes requests to be removed from The List.

Any fundraising activities must be done under the auspices of the campaign of an endorsed candidate, or SD36GOP itself.

Any conditions delineated by the Republican Party of Minnesota regarding permissible and impermissible uses of similar lists apply equally to this Agreement.

Concerns or questions about use of The List should be brought to the SD36GOP Executive Committee, or to the Chair or Deputy Chair.

It is expressly understood that improper use of The List, which may extend beyond the terms of this Agreement, may result in sanctions within SD36GOP, and in egregious cases may involve legal action, both civil and criminal as appropriate.

This Agreement may be updated from time to time and will be posted on the SD36GOP web site, www.sd36gop.org. The current posted version is the controlling version, with or without my signature, and if any portion thereof is unacceptable to me, I agree to immediately cease my use of The List and destroy whatever copies I may have.

“The List” includes any data tool with personally identifying information used or managed by SD36GOP, regardless of the original source, and regardless of the access interface.

An email to the SD36GOP Chair or designee acknowledging agreement to the foregoing shall suffice in lieu of signatures below.

Agreed to this _____ Day of _____, in The Year of Our Lord _____
